Online Project Survey

Thanks to all who took our online survey to share their thoughts about traveling the Sepulveda Corridor! More than 6,000 people took the survey and provided valuable feedback to the project team!

We awarded the \$50 Amazon gift card to Paul W., a small business owner who travels the Sepulveda Corridor on a daily basis for his work. As he noted, "it would be great to offer people another alternative to driving the 405 every day!"
